

Thank You Our Savior Lutheran Church!

As we near the close of another year, we want to take a moment to thank you on behalf of the children whose lives are forever changed because of your partnership with Compassion.

Through your generosity and commitment, 150 children are experiencing the love of Christ through sponsorship. Because of your support, they have received essential care—nutrition, education, and discipleship—that gives them hope in the future God has prepared for them.

This isn't just about meeting physical needs—it's about eternal transformation. Your partnership is equipping children to know their worth in Christ and grow into leaders who can impact their communities for generations to come.

On the next page, we've included some photos and prayer updates from the Compassion center that you've so generously partnered with. Thank you for being the hands and feet of Jesus to these children. Your faithfulness is making an eternal difference, and we are grateful to walk alongside you in this mission.

Recent highlights from Nicaragua:

Children and youth have been bonding over games and activities. These lighthearted moments don't just help children and teenagers build social skills – they also help them heal from the wounds of poverty and claim the wholeness that Christ promises.

Three ways to pray for our community and the children we serve.

- Pray that the Lord provides the necessary resources to continue with the children's ministry in our community.
- Pray that participants accept Christ and become followers of Jesus, proclaiming the good news of Salvation to their families and friends.
- Pray that our staff is united and committed in our work to know, love and protect children.

**Thank you for partnering with
Compassion in 2024.**
